VALUE PRICING AT A GLANCE

BRONZE—This is our standard Value Pricing Package. It includes the basic Timberline components you will need to complete the Timberline model you choose. The Bronze package includes the Complete Dome Shell Kit, Dome and Extension Riser Walls, Extensions, Ledger Hangers and Ledgers and a Skylight allowance.

SILVER—The Silver Value Pricing includes all of the Bronze package, PLUS the pre-cut Interior Plywood Panels that we introduced last year. We developed the panels in response to customer requests for an easy alternative to drywall. The feedback we have received from customers has been overwhelmingly positive. The Silver package also includes the special adjustable joist hangers, hold downs and straps for your plan.

GOLD—The Gold Value Pricing includes the entire Silver package, PLUS the Roofing and Roofing Felt required for your model. We are including high quality 30 year dimensional fiberglass shingles and 30 lb. roofing felt to provide a durable roof to your Timberline dome. The roofing comes in a variety of colors and when you place your order, we will send you color samples of actual shingles. This will allow you to see for yourself which color will blend in to your building environment.

Don't delay! Call today to receive a personal custom quote. We need to receive your down payment by June 30, 2010 to reserve your spot in this year's busy production schedule and ensure your Value Pricing discount.
